Our Adventures

In March we celebrated two birthdays and we continued to enjoy time in our community and the surrounding wilderness with multiple scenic rides during the week.

We enjoyed several trips out of town with amazing entertainment and tasty meals. Those included the Fremont Symphony Orchestra, CWC's presentation of Peter Pan and a trip to the Wind River Casino.

If there is anything that you would like to do or try please let the Activities Department know!

Enjoying a nice dinner out at the Cowfish in Lander before the annual Fremont Symphony Orchestra performance at the Lander High School.

What's Happening?

We would like to welcome several new neighbors to WVL. Bill, Lorraine and Martha. We are so happy to have you!

We are planning several trips out of town this month so please let us know if you would like to come along. A Jackson trip to visit their senior center for lunch, check out the National Museum of Wildlife Art and enjoy some sweet treats. We will also be going to the Lander Pioneer Museum's annual Sheep Shearing event among others.

Please watch your monthly calendar and the daily calendar in the Great Room for awesome activities that are planned and ones we will do spontaneously!

If you are interested in any of these events please let the Activities Department know right away.

WVL is a great place to live. We strive to meet, then exceed your needs. We create a comfortable lifestyle based on dignity and respect.
